Country Cardio High-energy, easy-to-follow, country dance-inspired workout! It's simple, fun and you will barely notice you're burning fat and tightening your body from head to toe.

Cycle, Strength, Stretch Warm up your muscles with an exhilarating vigorous cardio cycle routine followed by 30 minutes of strengthening and toning. So hop on your bike and grab your weights -- this is a full body workout for all fitness levels to enjoy!

HIIT (high-intensity interval training) In this class you will give an all-out 100% effort through quick intense bursts of exercise followed by short, sometimes active, recovery periods. This type of training gets and keeps your heart rate up and burns more fat in less time. Incorporates lightweights and various equipment to make the most of your workout. Combined with some boot camp-style exercises and Tabata, you will leave feeling accomplished and strong!

Let's Have a Ball The inherent instability of a big ball forces the core stabilizing muscles to work harder to keep you balanced on it. The shape and weight of the ball is used to leverage challenges. In addition to the stability ball, you will use various dumbbells to tailor the workout to your abilities and goals. This class will help you strengthen and tone your major muscle groups, improve your posture and boost your balance -- all while having fun and moving to motivating music!

Low-Impact Cardio Dance This workout is filled with fast and slow dance intervals plus exciting dance moves at a low impact level. Modeled after the Zumba® fitness program, this class will get you moving!
